<b>Business Communications</b>			
HP Premium Inkjet Paper	Q1936A	A4	200
HP Premium Inkjet Paper	Y2130A	A4	100
HP Premium Inkjet Paper	Q1937A	A3	100
HP Premium Inkjet Paper is thicker than plain paper with a smooth matt finish that makes it ideal for presentations, reports and proposals produced on HP inkjet printers.			
HP Brochure & Flyer Paper, Glossy	Q1930A	A4	50
HP Brochure & Flyer Paper, Glossy provides a low cost means of producing good quality, professional looking brochures and flyers. Printable on both sides, this improved addition to the HP Paper range will produce sharp black text and an image quality for better than that achievable on plain paper.			
HP Premium Heavy Weight Paper	Q1931A	A4	100
HP Premium Heavy Weight Paper, Matt is a heavyweight 135 gsm paper with a quality matt finish on both sides. It delivers optimized print quality and reliability with HP inkjet printers, ensuring brilliant colours and sharp, black text.			
HP Premium Paper	Q1948A	A4	200
HP Premium Paper is thicker than plain paper with a smooth matt finish that makes it ideal for presentations, reports and proposals produced on HP inkjet printers.			
HP Laser Paper, Soft Gloss	Q6542A	A4	200
HP Laser Paper, Soft Gloss is a satin gloss paper delivering rich, vibrant colours and enhanced greyscale definition.			
HP LaserJet, Tough Paper	Q1298A	A4	50
HP LaserJet Tough Paper has the durability of plastic and the printability of paper. It will hold its shape and retain print color and clarity even when exposed to moisture, making it ideal for documents that would otherwise have needed lamination.			
HP Colour LaserJet Transparency	C2936A	A4	50
HP Color LaserJet Transparencies are specifically designed and tested with HP Color LaserJet printers and toner to ensure brilliant colours and high contrast text, for presentations with real impact.
